Ordinance on Radio and Television

-  **Art. 36** Complementary non-profit-oriented radio programme services

must differentiate thematically, culturally and musically

must take account of the linguistic and cultural minorities

¹ A complementary non-profit-oriented radio programme service must

differentiate itself thematically, culturally and musically from other licensed radio programme services that can be received in the same coverage area. In

particular, a non-profit-oriented programme service must take account of the

linguistic and cultural minorities in the coverage area.

the broadcasting of advertising is not permitted

² In a non-profit-oriented radio programme service, the broadcasting of advertising is not permitted, with the exception of self-advertising, which

predominantly serves to build audience loyalty, including references to media
