Alarm announcement:

**NRK has a special
contingency responsibility.**

**NRK is mandated to inform the
population in the event of
national crises and disasters,
via broadcast networks .**

Why Alarm Announcement?

Norway landslide: Houses buried in Gjerdrum village near Oslo

31 December 2020

Aerial footage shows the scale of the landslide

A landslide in a Norwegian village has buried homes under dark mud, injuring 10 people - one seriously - and leaving a further 10 missing.

Thank you!
